REQUEST FOR RECALCULATION OF PATENT TERM
ADJUSTMENT IN VIEW OF *WYETH*

Patentees filed a Petition to Correct Patent Term Adjustment on August 21, 2009 based on (1) an incorrect calculation of PTA for patents issuing from national stage filings under 35 USC 371 and (2) additional PTA was due based on the district court's Wyeth decision. The U.S. PTO issued a decision on December 15, 2009, in which additional PTA was granted based on part (1) of the request; the second part of the request was dismissed under the U.S. PTO's pre-Wyeth interpretation of 35 U.S.C. 154(b) (2) (A). Patentees hereby request reconsideration of the

second part of this decision in view of Wyeth. This request is
filed within two months of the original decision by the U.S. PTO.
